1. The first

The first thing I noticed when I stepped
out of the plane was the cold air.
It was a sharp contrast to the warm
climate of the tropics. The sun was
low in the sky, casting a golden glow
over the landscape. The fields were
a vibrant green, and the trees were
tall and slender. The air was
fresh and clean, a welcome change
from the smog of the city. I took a
deep breath and felt a sense of
peace. The world was so beautiful,
and I was finally here.
